Pink Colorado – June 23 Unveiling in Eagle

The Shaw Regional Cancer Center is the title sponsor for Pink Colorado. This new event hopes to raise awareness about breast cancer through photographs w/ a “pink” touch. The photo finalists will be blown up and placed around Eagle. The unveiling of the finalists will happen on Thursday, June 23 in Eagle from 6:30-8:30pm - starting on Broadway and ending with sponsor recognition at the Dusty Boot. As the title sponsor, it would be wonderful to have good support on June 23.

Cardiopulmonary Lab Accredited by the College of American Pathologists

A recent onsite inspection of the Cardiopulmonary Laboratory resulted in the awarded accreditation from the College of American Pathologist (CAP). During the CAP accreditation process inspectors examine the lab’s records and quality control of procedure for the preceding two years in addition to staff qualifications, equipment, facilities, management and safety. This stringent inspection is designed to specifically ensure the highest standard of care for all lab patients.

Thank you Christy Baker for managing this process and the rest of the team for working so hard.
